Atlas Home Store - Desk Lamp Model L2 (User Guide)

The L2 lamp has three brightness levels and two colour temperatures.
Touch the base once to switch on, again to change brightness.
Hold the base for two seconds to switch between warm and cool light.

Care and safety

Unplug the lamp before cleaning. Use a dry soft cloth only.
Do not use the lamp near water. The lamp is rated for indoor use.
The LED module is not replaceable. If the lamp stops working,
contact support - it is covered by the 12 month warranty.
